## MEN WANT TOO MUCH

Or Employers are Willing to Give Too Little—The Public May Take Either Horn of the Dilemma

New York, March 22.—The demands of the anthracite mine workers for a readjustment of wages and conditions in the anthracite fields would if granted by the operators, mean a veritable revolution in mining conditions, according to a statement issued by the operators' committee of seven. The statement declares it to be a mistake to assume that an eight-hour day and ten per cent wage increase represents the sum total of the demands of the miners. "The new and uniform scale," says the statement, "would place every man on the same basis, increasing the wages of some men as much as 150 per cent, for the average increase under the uniform scale would be nearly 30 per cent. for the outside men, proposed by the schedule, and would mean a veritable revolution in the mining conditions."

## Cured Hemorrhages of the Lungs

Foley's Honey and Tar stops the cough and heals the lungs, and prevents serious results from a cold. Refuse substitutes. Sold by the Postoffice Drugstore.

The Austrian and Roumanian governments have forbidden the Jews refuge to cross their borders, as a result of which there is much suffering and misery among the exiles.

## ANNOUNCEMENTS

### FOR TAX COLLECTOR

To the Marion County Democracy:

Believing that I have filled the position of tax collector for state and county during my occupancy of the office acceptably to a large majority of the tax payers of the county, I announce myself as a candidate for re-election, subject to the action of the county democracy in the primaries of May 15, next. From the present time until the primary comes off will be my busiest season in the office. So much so that it will be impossible for me to neglect my duty to the public in order to make a personal canvass of the county. I would be a pleasure to me to meet the people at the various meetings that in all probability will be arranged by the county democratic executive committee to take place over the county within the next two months, but I think that all good citizens who know me will understand that it is duty before pleasure with me. I submit my candidacy upon my official record and if elected for another term of office, I will do my duty as I have in the past.

Very Respectfully,  
E. L. Carney.

"I can heartily and conscientiously recommend Chamberlain's Cough Remedy for affections of the throat and lungs," says Hon. John Shenick, 220 South Peoria St., Chicago. "Two years ago during a political campaign, I caught cold after being overworked, which irritated my throat and I was finally compelled to stop, as I could not speak loud. In my extremity a friend advised me to use Chamberlain's Cough Remedy. I took two doses that afternoon and could not believe my senses when I found the next morning the inflammation had largely subsided. I took several doses that day, kept right on talking through the campaign, and I thank this medicine that I won my seat in the council." This remedy is for sale by the Postoffice Drugstore.
